## BEDSHAPER®

The BedShaper® features include:

- Clean, sharp edges, even "S" curves, at up to 100' per minute.
- Powerful notched blade. Lifetime guarantee against chipping, breaking, bending and delaminating.
- Spring-loaded belt idler.
- 3-in-1 Lever provides infinitely variable speed control.
- Cutting depths from .5 to 4.5 inches.
- Hydrostatic transmission.
- BladeFloat™ lets the arm "float" over the obstruction.
- Zero-Turning radius easily cuts even small diameter tree rings.
- Shape-Trak™ design mounts the blade in-line with the drive wheels.
