

LITTLE WONDER®

HIGH PERFORMANCE VAC

The HPV features include:

- Superior Suction is the result of our advanced impeller and housing design.
- Best Reduction Ratio, due to our exclusive five bladed, reverse inclined fan.
- Nozzle height automatically adjusts. Height adjustments range from .75 to 3 inches. Nozzle width is 29”.
- 10” front and large 13” rear all-pneumatic tires.
- Heavy duty steel, continuously welded housing with liner. Polypropylene nozzle.
